District Core Beliefs

Student Learning

- * *Every student can and must learn at grade level and beyond*

High Quality Instruction

- * *Teachers must demonstrate the ability and desire to educate each child at a high level.*

Leadership

- * *Leaders must perform courageously and ethically to accomplish stated goals*

Safety

- * *A safe learning and working environment is crucial to student learning*

Culture

- * *Fresno Unified is a place where:*
 - o Diversity is valued*
 - o Educational excellence and equity are expected*
 - o Individual responsibility and participation by all is required*
 - o Collaborative adult relationships are essential*
 - o Parents, students and the community as a whole are vital partners*

District Commitments

Student Learning

- * *We will provide all students access to high quality options and a variety of activities.*
- * *We will implement, continue or expand practices proven to raise student achievement; and eliminate practices that do not.*

High Quality Instruction

- * *We expect all students to achieve their personal best; differences in achievement among socio-economic and ethnic groups are not acceptable.*
- * *We expect effective teacher performance toward desired results.*

Leadership

- * *We will require the timely delivery of high quality services to every site.*
- * *We will sustain and monitor a financial plan that ensures the viability of the district.*
- * *We will provide a safe, clean, and orderly learning and working environment.*

Culture

- * *We will establish collaborative relationships with staff, parents, students, and the community.*
- * *We strongly encourage and welcome the valuable contributions of our families.*
- * *We expect and depend upon individual responsibility.*

I. About This School

DataQuest

DataQuest is an online data tool located at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district, the county, and the state. Specifically, *DataQuest* is a dynamic system that provides reports for accountability (e.g. Academic Performance Index [API], Adequate Yearly Progress [AYP], test data, enrollment, graduates, dropouts, course enrollments, staffing, and data regarding English learners.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

Student Enrollment by Grade Level

This table displays the number of students enrolled in each grade level at the school.

Grade Level	Number of Students	Grade Level	Number of Students
Kindergarten	0	Grade 8	0
Grade 1	0	Ungraded Elementary	0
Grade 2	0	Grade 9	64
Grade 3	0	Grade 10	44
Grade 4	0	Grade 11	31
Grade 5	0	Grade 12	6
Grade 6	0	Ungraded Secondary	0
Grade 7	0	Total Enrollment	145

Student Enrollment by Group

This table displays the percent of students enrolled at the school who are identified as being in a particular group.

Group	Percent of Total Enrollment	Group	Percent of Total Enrollment
African American	6	White (not Hispanic)	17
American Indian or Alaska Native	0	Multiple or No Response	1
Asian	14	Socioeconomically Disadvantaged	83
Filipino	1	English Learners	6
Hispanic or Latino	59	Students with Disabilities	0
Pacific Islander	1	---	---

Opportunities for Parental Involvement

You are very important. Your involvement makes a difference. Your support ensures your child's achievement in school, graduation, preparation for a career or college, and success in life.

Six Ways to Get Involved at Your Child's School

- Communicating
- Learning at Home
- Parenting
- Volunteering
- Leadership and Decision Making
- Collaborating with the Community

Volunteer to support school goals and children's learning in any way, any time.

II. School Climate

Suspensions and Expulsions

Data reported are the number of suspensions and expulsions (i.e., the total number of incidents that result in a suspension or expulsion). The rate of suspensions and expulsions is the total number of incidents divided by the school's total enrollment as reported by CBEDS for the given year. In unified school districts, a comparison between a particular type of school (elementary, middle, high) and the district average may be misleading. Schools have the option of comparing their data with the district-wide average for the same type of school.

	School			District		
	2005-2006	2006-2007	2007-2008	2005-2006	2006-2007	2007-2008

School Safety Plan

Comprehensive Safe School Plan

The Fresno Unified School District (FUSD) Comprehensive Safe School Plan (CSSP) provides guidance and direction to principals, faculty and staff who have emergency management responsibilities. The CSSP is used during all emergency incidents involving a FUSD School facility.

Safe School Plan

In addition to the CSSP, a safe school leadership team at each school develops a safe school plan. This plan is submitted to the school site council for approval prior to March 1st of each year.

The Safe School Plan includes the following key elements:

Safe School Leadership Team

The safe school leadership team is led by a campus administrator (usually the principal). The team consists of the Principal, the office manager, the school nurse, the campus officer (if applicable), an additional certificated employee, and an additional classified employee. Each person on the team is backed up by an alternate in case they are not on campus. This team develops the Safe School Plan at each school.

Threat Assessment Team/Student Wellness Team

This team is responsible for evaluating and mitigating threats posed by students or outside individuals. The principal, school nurse, school psychologists, and police officer are the members of this team.

First Aid Responders

Individuals who have been trained in cardiopulmonary resuscitation (CPR) and First Aid act as first responders at each campus

Student Release Team

In the event of an emergency at each campus that requires the evacuation of students from the campus, this team reunites the students with their parent/guardian

Strategies for improving school safety/climate

Using district and school site data, the school plans specific strategies to minimize problems and to promote a positive learning environment for all of students on campus

2007 – 2008 Drill Schedule

Fire Drills are conducted once per month at the elementary and middle schools and two times per year at high schools.

Lockdown Drills are conducted three times per year at all schools. Lockdown drills are strategically planned to ensure that drills account for a variety of situations.

Earthquake Drills are conducted once each year at all schools

Coordination with First Responders

Copies of both documents are provided to the Fresno Police Department, the Fresno Fire Department, and American Ambulance Service's Emergency Medical Services.

III. School Facilities

School Facility Conditions and Improvements

The district takes great efforts to ensure that all schools are clean, safe, and functional.

- **Maintenance and Repair**

District maintenance staff ensures that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. A work order process is used to ensure efficient service and that emergency repairs are given the highest priority.

- **Cleaning Process and Schedule**

The district governing board has adopted cleaning standards and schedules for all schools in the district. The principal works with the custodial staff to develop cleaning schedules to ensure a clean and safe school. In addition, the District conducted a pilot program to centralize custodial services for High Schools. This process is coordinated by area coordinators and utilizes a team approach to ensure that consistent cleaning standards are upheld and products used.

- **Deferred Maintenance Budget**

The district participates in the State School Deferred Maintenance Program, which provides state matching funds on a dollar-for-dollar basis, to assist school districts with expenditures for major repair or replacement of existing school building components. Typically, this includes roofing, plumbing, heating, air conditioning, electrical systems, interior or exterior painting, and floor systems.

- **Facilities Master Plan**

Fresno Unified School District (FUSD) is in the process of major change to improve our schools and the education all Fresno students receive. As a result, FUSD is creating a long range facilities master plan. This plan will provide important information on what our school facilities should look and feel like now and in the future to provide excellent education and a great school experience for all students. More information is available at: <http://www.fresnounified.org/dept/planning/masterplan/default.aspx>

- **Use of Facilities Inspection Tool (FIT)**

To assist in the process of ensuring that all schools are clean, safe, and functional effort, the district uses the Facilities Inspection Tool (FIT) developed by the State of California Office of Public School Construction (OPSC). The results of this annual inspection are outlined in the two tables below.

School Facility Good Repair Status

This table displays the results of the most recently completed school site inspection to determine the school facility's good repair status.

IV. Teachers

Teacher Credentials

This table displays the number of teachers assigned to the school with a full credential, without a full credential, and those teaching outside of their subject area of competence. Detailed information about teacher qualifications can be found at the CDE Web site at <http://dq.cde.ca.gov/dataquest/>.

Teachers	School			District
	2005-2006	2006-2007	2007-2008	2007-2008

Without Full Credential	N/A	N/A	N/A	77
Teaching Outside Subject Area of Competence	N/A	N/A	0	---

Teacher Misassignments and Vacant Teacher Positions

This table displays the number of teacher misassignments (teachers assigned without proper legal authorization) and the number of vacant teacher positions (not filled by a single designated teacher assigned to teach the entire course at the beginning of the school year or semester). Note: Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

Core Academic Classes Taught by No Child Left Behind Compliant Teachers

This table displays the percent of classes in core academic subjects taught by No Child Left Behind (NCLB) compliant and non-NCLB compliant teachers at the school, at all schools in the district, at high-poverty schools in the district, and at low-poverty schools in the district. More information on teacher qualifications required under NCLB can be found at the CDE Web site at <http://www.cde.ca.gov/nclb/sr/tq/>.

V. Support Staff

Academic Counselors and Other Support Staff

This table displays, in units of full-time equivalents (FTE), the number of academic counselors and other support staff who are assigned to the school and the average number of students per academic counselor. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

Title	Number of FTE Assigned to School	Average Number of Students per Academic Counselor
Academic Counselor	N/A	N/A
Library Media Teacher (Librarian)	N/A	N/A
Library Media Services Staff (paraprofessional)	N/A	N/A

VII. School Finances

Expenditures Per Pupil and School Site Teacher Salaries (Fiscal Year 2006-07)

This table displays a comparison of the school's per pupil expenditures from unrestricted (basic) sources with other schools in the district and throughout the state, and a comparison of the average teacher salary at the school site with average teacher salaries at the district and state levels. Detailed information regarding school expenditures and teacher salaries can be found at the CDE Web site at <http://www.cde.ca.gov/ds/fd/ec/> and <http://www.cde.ca.gov/ds/fd/cs/>.

Level	Total Expenditures Per Pupil	Expenditures Per Pupil (Supplemental)	Expenditures Per Pupil (Basic)	Average Teacher Salary

Teacher and Administrative Salaries (Fiscal Year 2006-07)

This table displays district-level salary information for teachers, principals, and superintendents, and compares these figures to the state averages for districts of the same type and size. The table also displays teacher and administrative salaries as a percent of a district's budget, and compares these figures to the state averages for districts of the same type and size. Detailed information regarding salaries may be found at the CDE Web site at <http://www.cde.ca.gov/ds/fd/cs/> and <http://www.cde.ca.gov/ta/ac/sa/salaries0405.asp>.

Category	District Amount	State Average For Districts In Same Category
Beginning Teacher Salary	35461	40721
Mid-Range Teacher Salary	58865	65190
Highest Teacher Salary	68170	84151
Average Principal Salary (Elementary)	95794	104476
Average Principal Salary (Middle)	100703	108527
Average Principal Salary (High)	112715	119210
Superintendent Salary	205000	210769
Percent of Budget for Teacher Salaries	38.2	39.9
Percent of Budget for Administrative Salaries	7.5	5.5

Types of Services Funded

The district spent \$102 million for students participating in State and Federal categorical grant programs. The following are some of the special categorical programs provided to students at this school:

VIII. Student Performance

California Standards Tests

The California Standards Tests (CSTs) show how well students are doing in relation to the state content standards. The CSTs include English-language arts (ELA) and mathematics in grades 2 through 11; science in grades 5, 8, and 9 through 11; and history-social science in grades 8, and 10 through 11. Student scores are reported as performance levels.

Detailed information regarding CST results for each grade and performance level, including the percent of students not tested, can be found on the Standardized Testing and Reporting (STAR) Results Web page at <http://star.cde.ca.gov>.

Note: Scores are not shown when the number of students tested is 10 or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy. In no case shall any group score be reported that would deliberately or inadvertently make public the score or performance of any individual student.

CST Results for All Students – Three-Year Comparison

This table displays the percent of students achieving at the Proficient or Advanced level (meeting or exceeding the state standards).

California High School Exit Examination

The California High School Exit Examination (CAHSEE) is primarily used as a graduation requirement. However, the grade 10 results of this exam are also used to establish the percentages of students at three proficiency levels (not proficient, proficient, or advanced) in ELA and mathematics in order to compute Adequate Yearly Progress (AYP) designations as required by the federal NCLB Act of 2001. Detailed information regarding CAHSEE results can be found at the CAHSEE Web site at <http://cahsee.cde.ca.gov/>. *Note: Scores are not shown when the number of students tested is 10 or less, either because the number of students in this category is too small for statistical accuracy, or to protect student privacy. In no case shall any group score be reported that would deliberately or inadvertently make public the score or performance of any individual student.*

CAHSEE Results by Performance Level for All Students – Three-Year Comparison

California Physical Fitness Test Results

The California Physical Fitness Test is administered to students in grades 5, 7, and 9 only. This table displays by grade level the percent of students meeting fitness standards (scoring in the healthy fitness zone on all six fitness standards) for the most recent testing period. Detailed information regarding this test, and comparisons of a school's test results to the district and state levels, may be found at the CDE Web site at <http://www.cde.ca.gov/ta/tg/pf/>. Note: To protect student privacy, scores are not shown when the number of students tested is 10 or less.

Grade Level	Percent of Students Meeting Fitness Standards

9	40.7

IX. Accountability

Academic Performance Index

The Academic Performance Index (API) is an annual measure of the academic performance and progress of schools in California. API scores range from 200 to 1,000, with a statewide target of 800. Detailed information about the API can be found at the CDE Web site at <http://www.cde.ca.gov/ta/ac/ap/>.

API Ranks – Three-Year Comparison

This table displays the school's statewide and similar schools API ranks. The statewide API rank ranges from 1 to 10. A statewide rank of 1 means that the school has an API score in the lowest 10 percent of all schools in the state, while a statewide rank of 10 means that the school has an API score in the highest 10 percent of all schools in the state. The similar schools API rank reflects how a school compares to 100 statistically matched "similar schools." A similar schools rank of 1 means that the school's academic performance is comparable to the lowest performing 10 schools of the 100 similar schools, while a similar schools rank of 10 means that the school's academic performance is better than at least 90 of the 100 similar schools.

API Rank	2005-2006	2006-2007	2007-2008
Statewide		5	8
Similar Schools		N/A	N/A

API Changes by Student Group – Three-Year Comparison

This table displays by student group the actual API changes in points added or lost for the past three years, and the most recent API score. Note: "N/A" means that the student group is not numerically significant.

Group	Actual API Change			API Score
	2005-2006	2006-2007	2007-2008	2008
All Students at the School	B	58	74	822
African American				
American Indian or Alaska Native				
Asian

Socioeconomically Disadvantaged		58	70	818
English Learners				
Students with Disabilities				

Adequate Yearly Progress

The federal NCLB Act requires that all schools and districts meet the following Adequate Yearly Progress (AYP) criteria:

- Participation rate on the state's standards-based assessments in English-language arts (ELA) and mathematics
- Percent proficient on the state's standards-based assessments in ELA and mathematics
- API as an additional indicator
- Graduation rate (for secondary schools)

Detailed information about AYP, including participation rates and percent proficient results by student group, can be found at the CDE Web site at <http://www.cde.ca.gov/ta/ac/ay/>.

AYP Overall and by Criteria

This table displays an indication of whether the school and the district made AYP overall and whether the school and the district met each of the AYP criteria.

AYP Criteria	School	District
Overall	6 of 6 criteria (Yes)	39 of 46 criteria (No)
Participation Rate - English-Language Arts	98% (Yes)	99% (Yes)
Participation Rate - Mathematics	98% (Yes)	99% (Yes)
Percent Proficient - English-Language Arts	74.3% (Yes)	34.2% (Yes)
Percent Proficient - Mathematics	88.6% (Yes)	41.9% (Yes)
API	822 (Yes)	684 (Yes)
Graduation Rate	Yes	Yes

Federal Intervention Program

Schools and districts receiving federal Title I funding enter Program Improvement (PI) if they do not make AYP for two consecutive years in the same content area (English-language arts or mathematics) or on the same indicator (API or graduation rate). After entering PI, schools and districts advance to the next level of intervention with each additional year that they do not make AYP. Detailed information about PI identification can be found at the CDE Web site at

<http://www.cde.ca.gov/ta/ac/ay/>.

Indicator	School	District
Program Improvement Status	Not in PI	In PI
First Year of Program Improvement		2004-2005
Year in Program Improvement		Year 3
Number of Schools Currently in Program Improvement	---	61
Percent of Schools Currently in Program Improvement	---	58.1

X. School Completion and Postsecondary Preparation (Secondary Schools Only)

University of California

Admission requirements for the University of California (UC) follow guidelines set forth in the Master Plan, which requires that the top one-eighth of the state's high school graduates, as well as those transfer students who have successfully completed specified college work, be eligible for admission to the UC. These requirements are designed to ensure that all eligible students are adequately prepared for University-level work. For general admissions requirements please visit the University of California Web site at <http://www.universityofcalifornia.edu/admissions/general.html>.

California State University

Admission requirements for the California State University (CSU) use three factors to determine eligibility. They are specific high school courses; grades in specified courses and test scores; and graduation from high school. Some campuses have higher standards for particular majors or students who live outside the local campus area. Because of the number of students who apply, a few campuses have higher standards (supplementary admission criteria) for all applicants. Most CSU campuses utilize local admission guarantee policies for students who graduate or transfer from high schools and colleges that are historically served by a CSU campus in that region. For general admissions requirements please visit the California State University Web site at <http://www.calstate.edu/admission/>.

Dropout Rate and Graduation Rate

This table displays the school's one-year dropout rates and graduation rates for the most recent three-year period. For comparison purposes, data are also provided at the district and state levels. Detailed information about dropout rates and graduation rates can be found at the CDE Web site at <http://dq.cde.ca.gov/dataquest/>.

Indicator	School			District			State		
	2005-06	2006-07	2007-08	2005-06	2006-07	2007-08	2005-06	2006-07	2007-08

Completion of High School Graduation Requirements

Beginning with the graduating class of 2006, students in California public schools must pass both the English-language arts and mathematics portions of the California High School Exit Examination (CAHSEE) to receive a high school diploma. For students who began the 2005-06 school year in the 12th grade, this table displays by student group the percent of students who met all state and local graduation requirements for grade 12 completion, including having passed both portions of the CAHSEE or received a local waiver or state exemption. Due to the state's collection schedule for high school completion data, state level data for this reporting element will not be available for report cards published in the 2006-07 school year. Detailed information about the CAHSEE can be found at the CDE Web site at <http://www.cde.ca.gov/ta/tg/hs/>. Note: "N/A" means that the student group is not numerically significant.
